Office and Financial Policies of Hometown Healthcare

Thank you for choosing Hometown Healthcare for your health care needs. In an effort to make your transition to our practice as smooth as possible we have the following policies that we request you read and sign. Please feel free to seek clarification on any of our policies if you do not understand something.

Hometown Healthcare strives to provide for our patients the highest level of customer service. Hometown Healthcare appreciates and welcomes your feedback to improve services or address any personal concerns regarding your medical care or office experience.

Our mission: Our mission is to provide the highest standard of patient care with commitment to promoting health, wellbeing and disease prevention to all patients. We do not discriminate in the provision of excellent care and aim to treat all patients with dignity and respect.

**Office Hours: Monday-Thursday 8:00 am to 5:00 pm
Friday 8:00 am to 12:00 Noon**

Closed for Lunch from 12:00 pm to 1:00 pm

Insurance: Insurance claims will be filed for you as a courtesy. If you have a deductible, which has not been met, or your insurance deems your visit as a non-covered service you will be responsible for the balance. The terms of your insurance policy are between you and your insurance company. All co-pays or deductibles will be paid beforehand. Patients with a large patient balance will be expected to pay at least 25% of the balance before the next appointment unless a payment plan has been made with our billing company. With all the variations in insurance policies we ask that you please be familiar with the terms and policies of your insurance plan. All inaccuracies must be updated with your insurance before time of service. Any questions or problems with your insurance should be directed to your individual insurance company. Some insurance carriers require a primary doctor be selected and certain laboratories to process your lab specimens. You must notify our staff of these restrictions.

Financial Policy: The patient is responsible for payment, co-payment, and deductibles at the time of service.

Payment methods include:

- Cash, Check, Visa/ Mastercard
- Insurance Assignment of benefit
- Medicare and Medicaid

We do not take American Express. There is a \$35.00 service charge for all returned checks

****Cash pay patients who pay their payment in full the day of service will receive a 25% discount.**

Appointments: Time is valuable for all of us and we want to give you and your health concerns our utmost attention. Therefore, if you arrive more than 15 minutes late for your appointment you will be asked to reschedule. We ask that you kindly give at least 24- hour notice when cancelling or rescheduling an appointment. We will take walk in sick visits as long as our schedule allows.

Please call early in the day so we can accommodate your needs and we will make every effort to see you on time and also ask for your understanding in the event we are running behind schedule as unforeseen emergencies and complex patients may warrant additional time in the office.

Health Forms and Records: We understand that health forms are required by many schools, employers and government agencies. We will be happy to fill out these forms during your appointment if that is the reason for the appointment. If a form is needed for a reason other than what is being addressed in your visit, a \$25.00 fee per form will be charged. Lengthy forms may have to be completed and picked up at a later time. Similarly, if a form completion is requested outside of an office visit it will be subject to a \$25.00 fee. Some forms may require an office visit for completion. In order to ensure accuracy and safety of your medical information all of our medical records are in digital format. Copies of your medical records are available to you with a signed medical release.

Identification: All patients will need to bring their current drivers license or photo ID and an updated insurance card to each appointment. We depend on accurate information to file your insurance claim. Incorrect information can result in a denial of your claim.

Advanced Directives: Federal law requires that you be provided information about your rights to make advanced health care decisions, including a Living Will, Durable Medical Power of Attorney or Designation of Surrogate Decision Maker. If you already have any of these documents, please inform the staff.

- _____ Advanced Directive
- _____ Living will
- _____ Power Of Attorney

If you do not have an Advanced Directive and you would like information about this, please let the office staff know and we will gladly provide you with information.

Patient Dismissal: We sincerely hope that we never have to part ways with a patient. However, extreme circumstances may make this necessary. If this occurs, you will be notified by mail. You will have 30 days to find another doctor during which we will continue to offer urgent care services only. Reason may include but are not limited to:

- Persistent failure to keep scheduled appointments or adhere to agreed upon treatment plans
- Repeated failure to pay reasonable medical bills
- Ongoing rude or disruptive behavior
- Habitual noncompliance
- Falsifying or providing misleading medical history
- Sentinel incident (verbal threat, violence, criminal activity)

Annual Wellness Exams: Office staff will schedule all new patient wellness exams after the initial office visit. Many insurance companies encourage such visits but will not pay for these visits until after your new patient visit. Wellness exams are to focus on health promotion activities, updating screenings and recommend vaccines. Please discuss your wellness benefits with your insurance and notify our office if such benefits are not available to you.

Controlled Substances: We do not provide chronic pain management services with controlled substances or narcotics; any chronic pain needs or other medical conditions requiring long term- controlled substances treatment will be referred to providers who can better manage your healthcare needs.

Privacy Policy: I understand that, under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to:

- Conduct, plan and direct my treatment and follow- up among the multiple healthcare providers who may be involved in the treatment directly and indirectly
- Obtain payment from third party payers
- Conduct normal healthcare operations such as quality assessments and physician certifications

I have received, read and understand the Notice of Privacy Practices containing a more complete description of the uses and disclosures of my health information. I understand that this organization has the right to change its Notice of Privacy practices from time to time and that I may contact this organization at any time to obtain a current copy of the Notice of Privacy Practices.

Having read the above, I agree to abide by the policies set by Hometown Healthcare. I realize that all charges incurred by me and my dependents are my financial responsibility. Failure to follow these policies could result in my dismissal as a patient. I also confirm that the information I have provided is true and correct.
